| EIR REPRESENTATIVE

Self-Therapy Daily Skin Care Suggested by Professional Therapist Company

EIR Moisture Cream 30ml

A multi-function cream that provides moisture deep into the skin. This is a multi-functional cream that provides whitening and inner moisturizing at the same time. It offers spreadability which allows it to adhere gently to the skin. As a product for aesthetic specialists, it goes beyond instant moisturizing to help restore and maintain the balance of sebum in the skin, helping skin regain its vitality.

52.7 USD

EIR Capsule Serum 50ml

A triple-function highly enriched serum, for moisturizing, whitening, and even elasticity. A unique new concept in highly enriched multi serums, with triple moisturizing, triple whitening, and triple promotion of elasticity. Made in capsule form to penetrate even to the dermal layer and fully replenish sebum. Using our patented Geranium Erianthum Extract technology for whitening, it brightens skin from the inside.

50.9 USD

EIR Moisture Toner 150ml

A soothing toner which replenishes sebum and normalizes sebum secretion. Uses three types of white flower complex to brighten skin from the inside. Uses seven types of natural plant extracts with no toxins to care for skin without irritation.

49.1 USD

EIR Daily Sun Care 50ml

A moisturizing, refreshing sun care product which uses a serum base to stop glossiness while replenishing moisture. This product is multi- function and provides whitening, blocking of UV rays, and improvements to wrinkles while providing sun care. It uses glutathione, which is famous for its whitening components, to brighten the skin.

53.5 USD

EIR Mild Cleansing Foam 150ml

A cleansing foam which is comfortable on the skin. A lightly acidic cleansing foam with a pH of 6.5 which is pure and comfortable to use. While it's made with pure ingredients that come from nature, it uses a surface active agent derived from coconut for powerful cleaning. It uses ultra-fine nano bubbles to remove unneeded sebum, allowing for deep cleaning while maintaining purity.

30.9 USD

EIR Revitalizing Bifida Mask 25ml*3pcs

Strengthen skin barrier with Bifida Lactobacillus fermentation extract. It is an eco-friendly sheet made of cotton seed's fluffy hair that adheres closely to the skin. Bifida Lactobacillus fermentation extract enhances absorption and strengthens skin barriers. Adenosine, which is effective in improving wrinkles, helps smooth skin texture.

17.1 USD

EIR SOOTHING AMPOULE 2ml*10pcs

**Expert's Choice
Anti-Aging Ampoule 10ml*3pcs**

To specifically formulated to delicate skin to smooth and firm skin around the face.

87.3 USD

VITAMIN C SERUM 50ml

It is an intensive care serum with a large amount of VITAMIN C ingredients that clears the skin tone and provides excellent moisturizing and elasticity. A concentrated serum for optimal whitening, it provides lightning and an even skin tone on all skin types.

50 USD

SILKY PEEL 30 50ml

A product containing 30% AHA removes and cleans up unnecessary stratum corneum on the skin surface. Its gentle peeling effect with its absorptive power optimize its skin clarifying properties and offer unsurpassed luminance.

55.5 USD

EIR Whitening Gluta Ampoule 1.7ml*15pcs

Triple whitening moisturizing that fills in deep inside the skin. Through the combination of the whitening patent ingredients, melazero, glutathione, and niacinamide, it's an ampoule which you can experience differentiated triple whitening. It is a healthy product made of natural preservatives without chemical preservatives, artificial colors, artificial scents, silicon, and mineral oil. The combination of collagen, adenosine, and two peptides, which are good for wrinkle improvement and skin elasticity, helps skin vitality.

134.5 USD

EIR Soothing & Calm Madeca Ampoule 1.7ml*15pcs

Ampoule that restores stressed skin. It is a healthy ampoule made of natural preservatives without chemical preservatives, artificial colors, artificial scents, silicon, or mineral oil. Madecacoside, which has a calming effect on the skin, helps relieve skin heat and trouble. 11 plant extracts, allantoin, and beta-glucan are combined to enhance skin immunity.

134.5 USD

GRINEE REFRESHING LINE

Grinee Refreshing Moisturizer 100ml

A moisturizer which maintains skin moisture. A light cream formulation which is filled with moisture and easily absorbed. It used Aquasil and Squalane, naturally derived moisturizing components, to maintain skin moisture. Because it's made from extracts derived from plants, you don't need to worry about using it on sensitive skin.

16.3 USD

Grinee Refreshing Gel Toner 100ml

A gel type toner which leaves you with clear, fresh skin This gel type toner uses the soothing power of Cica complex and Squalane to leave you with clear, fresh skin. When the gel comes in contact with the skin, it spreads like water and is absorbed gently, without stickiness. It uses purslane extract, which is effective for whitening, to not only provide nutrients to the skin but also provide you with whitening.

16.3 USD

Grinee Refreshing Cleanser 150ml

A lightly acidic bubble cleanser which helps with moisturizing and cleansing. This lightly acidic cleansing product has a pH of 5.5, similar to the pH of healthy skin. The fine, gentle bubbles clean even inside pores without causing irritation. It uses a plant-based surface active agent derived from coconut to minimize skin irritation, reducing skin pulling after use.

16.3 USD

EIR Red Solution Serum 50ml

A dual functional serum that whitens and improves wrinkles at once. It is a dual functional product that is effective for whitening and wrinkle improvement. 7-layered hyaluronic acid forms a moisturizing film to improve moisture retention. Five extracts, including golden extracts, help relieve inflammation.

43.6 USD

EIR Capsule Mist Serum 100ml

Triple multi-enriched serum with moisturizing, whitening and elasticity. It's a new multi-concentrated serum with different dimensions from triple moisturizing, triple whitening, and triple elasticity. It is a mist type and fills a wide area with oil and moisture quickly and tightly. Its whitening patent, Anthranilic Acid, brightens the inside of the skin.

43.6 USD

Whitening Recovery Serum 50ml

It protects collagen and elastin, strengthens skin elasticity, promotes collagen synthesis, and helps relieve wrinkles. It is a multi-serum that helps improve whitening antioxidant anti-inflammatory wrinkles by containing natural composites.

43.6 USD

EIR HYDRO LINE, EIR ORGANIC LINE, EIR MICRO CLEANSING WATER

EIR Hydro Cleansing Gel 200ml

A mildly acidic cleansing gel that helps maintain moisture balance. It's a mildly acidic cleansing gel (Gel) rather than a regular foam cleanser that keeps your skin moist and healthy even after washing your face. Due to the structural properties of the gel, it has the advantage of being able to contain a lot of skin moisturizing ingredients, so it can satisfy both moisturizing and cleansing power.

33.6 USD

EIR Hydro Multi Booster 100ml

Moist and moisturizing essence booster without stickiness. The next step is an essence type booster that acts as a product absorption promoter. Beepa tree leaf extract, which has an effect of homeostasis and skin strengthening, is responsible for the health of the skin. It also creates a thin layer of moisture on the skin to protect against external pollutants and helps to create dewy skin.

49.1 USD

EIR Hydro Watery Serum 100ml

It keeps your skin moist like you're holding water. It's a watery serum with a non-glossy gel type that's effective for moisturizing and calming your skin. It reduces skin trouble and has antibacterial and antioxidant effects, and it boasts the best combination of total ingredients and aloe vera leaf water, known for its excellent moisturizing and calming effects.

50.9 USD

EIR Micro Cleansing Water 500ml

Cleansing water for cleansing and moisturizing at once. It is a cleansing water that maintains moisture without skin irritation and after washing gently. It is a good ingredient for dry and inflammatory skin that removes makeup, dust, sebum, and waste matter. Hyaluronic acid forms a dense moisturizing film, helping to make your skin moist even after washing your face.

19.1 USD

EIR Organic Total Cream 50ml

Double functional nutritional cream full of organic moringa leaves. It is a gentle and safe wrinkle/whitening functional organic nutrition cream with 100% natural content and vegetable ingredients. The nutrient-rich Moringa leaf extract makes your skin moist and glossy all day long regardless of the season. It is absorbed tightly with a soft and sticky formulation that is not sticky, and helps bright, and elastic skin damaged by various environmental pollution.

47.3 USD

EIR Organic Aqua Cream 50ml

Organic moisturizing cream with a fresh finish. It is a wrinkle/whitening functional organic nutrition cream that absorbs organic products and healthy ingredients of herbs in close contact with the skin. Organic apple water with excellent convergence helps make your skin transparent and elastic. It is a slightly viscous moisturizing cream formulation that is absorbed refreshingly and helps smooth and transparent skin texture.
